*"Callings" is Paul Winter's
celebration of the voices of the
sea. The songs were inspired
by the calls of fifteen different
sea mammals, and the actual
voices of the creatures are
woven into the fabric of the
music.*

Produced by Paul Winter and recorded in the
Cathedral of St. John the Divine, N.Y.C. by
Dixon Van Winkle with Chris Brown. 3-M
digital mastering system provided by Sound
Ideas Studio. Additional recording by Richard
Blakin and Mickey Houlihan. Remastered by
Clete Baker, Sound Recorders, Omaha, NE.
